Sometimes the most popular databases are not the best for all subject areas. Try using the Subject list for databases appropriate for Sociology.
Choose *Sociology* from the Subject List and use an arrow to move it to the other box.
Either of the databases to the right – *SociINDEX* or *Sociological Collection* will be good tools for this research.
A basic keyword search for Irish Americans will return 276 articles. Look at the Subjects in the results list to see ways to improve your results. For example, in the first article, Irish Americans is a valid subject, as is Ethnic discrimination. Use the Advanced Search to refine your search.
- *Irish Americans* carries over from the last screen.
- Ethnic will work for *Ethnicity* as well.
- *Race* is another applicable subject.
- We’ll make our search for *Irish Americans AND (ethnic OR race)*.
- We’ll also limit the results to FULL TEXT articles only.
